1. Leave Policy

Employees are entitled to 12 days of annual leave per calendar year. Leave should normally be requested at least three working days in advance through the employee leave system. Emergency leave may be reported to the manager as soon as reasonably possible.

2. Attendance Policy

Employees are expected to maintain regular attendance and arrive on time. Attendance is calculated from the employee's recorded working hours and approved attendance entries. Repeated unexplained absences may require managerial review.

3. Working Hours

Standard working hours are 9:00 AM to 5:30 PM, Monday through Friday. Employees receive a one-hour lunch break. Some teams may follow different schedules based on operational requirements.

4. Work From Home Policy

Employees may work from home when approved by their manager. Remote work requests should normally be submitted at least one working day in advance. Employees working remotely must remain available during their scheduled working hours.

5. Professional Conduct

Employees are expected to communicate respectfully, protect company information, and follow applicable workplace procedures. Confidential company information must not be shared with unauthorized persons.

6. Policy Questions

Questions about these policies should be directed to the employee's manager or the Human Resources department.
